Speaker Bio

Panel Discussion Speaker

Andrew Bland, MD, MBA

Dr. Andrew Bland currently serves as Vice President and Chief Quality Officer for HSHS to provide oversight and consultation with the Chief Medical Officers and Quality colleagues at the Hospital Systems Health Systems (HSHS) and physician enterprises.

“It’s an honor to have this opportunity to lead our efforts to elevate the quality and safety of the care we provide to our patients. I am passionate about bringing proven, data driven care processes and procedures to the bed side. I look forward to building on the care coordination successes we’ve had at the Medical Group and working with colleagues across the System to ensure our patients get the very best care possible,” said Dr. Bland.

Prior to joining HSHS Medical Group in 2014, Dr. Bland served as the Assistant Dean for Faculty Development and Associate Professor of Medicine at the University Of Illinois College Of Medicine in Peoria. He has also served as the Chief Medical Officer and Vice President of Operations for Proctor Hospital.

Dr. Bland earned a Bachelor of Science degree from the University of Illinois in Champaign and completed medical school at the University Of Illinois College Of Medicine at Peoria. He trained in a combined internal medicine/pediatrics residency at St. Francis Medical Center and a nephrology fellowship at the University of Iowa Hospitals and Clinics. Andy also earned a Master of Business Administration degree from the University of Massachusetts. He is currently completing his Masters in Predictive Analytics at Northwestern University.

In his free time (after studying), Dr. Bland enjoys traveling, reading, taking nature walks with his kids and attending and supporting their many extracurricular activities.
